The famous **Arlberg ski region** ([www.skiarlb.org.at](http://www.skiarlb.org.at)) and the charming village of **Zürs** ([www.zuers.at](http://www.zuers.at)) await us! This vast alpine playground (Austria's largest interconnected ski area and the fifth largest in the world) offers 212 miles of marked, groomed ski runs, more than 110 miles of off-piste (ungroomed) runs, 87 lifts and 4400 feet of vertical drop, all on the same lift pass! Zürs, at 5630 feet above sea level, is a small, sophisticated skiing paradise that combines the enjoyment of winter sports with a cosmopolitan atmosphere. From Zürs, we can easily ski the interconnected ski slopes of **Lech, St. Anton, St. Christoph, Stuben, Oberlech, Warth-Schrökken** and **Zug**. Imagine a typical day – step in to your skis behind the hotel, then ski to Zug for some breathtaking views and a tasty beverage or snack from an on-mountain bar. Continue to the car-free hamlet of **Oberlech** and enjoy lunch on the deck of one of the many restaurants. From there, ride the lift to Warth-Schrökken or ski down to **Lech** for an abundance of après-ski activities. Return back to the hotel on skis or take the free shuttle bus back to the hotel. Another day, ski to **St. Anton** for lunch, schuss down to **Stuben** in the afternoon and still make it back to Zürs in time for dinner. The possibilities are nearly endless!

Our home will be the luxurious yet cozy, ski-in/ski-out **4-star Hotel Arlberghaus** ([www.arlberghaus.com](http://www.arlberghaus.com)). The Egger family has owned the 54-room hotel since 1931, and they look forward to spoiling us during our visit. The hotel features a house bar with fireplace, large lobby with sitting area, elegant dining room, sauna, steam room, gym, rooftop Dutch tub (unique hot tub), wine cellar/tasting room and ski room with boot dryers. All guest rooms contain private bathroom, safe, hair dryer, radio, TV, telephone, mini bar, bathrobes and slippers. During the week, we will be treated to a cocktail welcome party and a day of skiing with Mr. Egger.

We will continue our adventure with a two-night stay in **Munich** at the classic **4-star Hotel King's First Class** ([www.kingshotels.de](http://www.kingshotels.de)). The popular pedestrian street and main shopping area is about a 10-minute walk from the hotel.
